SQUARE GAZEBO

The gazebo is one of the most pleasant solutions to enjoy outdoor life, nature and warmer seasons in.

All our models can be furnished with gratings for climbing plants, which function as visibility protection and offer shelter from the wind. The roof cover can simply consist of a PVC sheet, fixed with panels, Canadian tiles or a special waterproof membrane for roofs. Wooden flooring, tables, chairs or benches are available to complete your favorite outdoor place for pleasant moments with family and friends.
