Website moderngardensuae.com

Our Picnic Setting range is one of the most comprehensive offerings in Australia. Each unique design is carefully hand-manufactured in our Shepparton Foundry under strict quality guidelines - with the knowledge of how public use can wear products down.

The option to customise the colours, materials used and finishing options allows the Furphy Foundry range of Picnic Settings to fit into almost any Australian public space environment.

Description

Designed and manufactured here in Australia from cast aluminium and hardwood slats (aluminium slats are also available), the Fulcrum Picnic Setting is a versatile and stylish addition to any public space.

Our Picnic Setting range is one of the most comprehensive offerings in Australia. Each unique design is carefully hand-manufactured in our Shepparton Foundry under strict quality guidelines - with the knowledge of how public use can wear products down.
